Class of 2005 History

The Class of 2005 experienced an array of events for the past four years. Together sports victories were celebrated, political avenues were explored, and together the Class of 2005 thrived!

ADYNASTY! That is what our hometown was considered after the New England Patriots drove their way to success, winning three super bowls in four years! In 2001 the Pats brought their first super bowl victory home, as well as introduced Waltham High to its' newest hero; Tom Brady. The Pats continued to thrive in 2004 and

2005 bringing two more championship rings home.

WHS was in uproar with excitement and Patriots pride. Along with hundreds of other students in the Boston area, several of Waltham High students lined up the streets of Boston to cheer on their team during the victory parades. Attending the celebration left empty chairs in classrooms and brought excitement, pride, and admiration to the student body.

2004 was a year that brought about the phrase "Sleep in November". To ordinary people outside of WHS this phrase seems perplexing; however at the home of the Hawks it was a phrase to live by. In the fall of 2004 students, staff, and teachers stayed up late procrastinating assignments to watch the Boston Red Sox make sports history. It seemed to be a hopeless battle once again between the Red Sox and the New York Yankees. Students slowly began to "lose the faith" as they watched their team fall 3-0 to the "evil empire". However, in a twist of fate the Red Sox battled back beating the Yankees 4-3. They continued on to sweep the St. Louis Cardinals 4-0, winning the World Series after 86 years! Teachers put off assignments, and students neglected homework, as the school watched the baseball victory in awe. Waltham High School turned into a Red Sox craze! It was an event that is truly unforgettable!

Along with the victories celebrated in professional sports, the past four years brought personal achievements to the Hawks. In 2002 the WHS hockey team won their way into the playoffs and participated in the finals for the State Championship at the Fleet Center. After entrance of an enormous and intimidating crowd dressed in red and white, the Hawks began a game which would make Waltham High School sports history. After a long battle the Hawks celebrated an overtime win of 3-2 against Springfield Cathedral. The victory brought a swarm of t-shirts displaying DIVINSON ONE STATE CHAMPS to the halls of WHS. It was a great event to kick off our freshman year!

In 2003 the boys' basketball team continued to bring pride and success to the Hawks. The boys battled against Cambridge and defeated them in a successful score of 58-53. The game brought a packed gym of anxious, excited, and determined fans, keeping them on the edge of their seats. However, it was the final score that got the fans to run off the bleachers and on to the court to celebrate this historical athletic achievement.

Along with the joyous moments that we have gone through, the Class of 2005 has also been together through many tragic moments – everything from the infamous day of September 11th in freshman year until disastrous Tsunami of 2004. However, through it all we have prevailed together. The support and strength that we have shown each other through these tough times has been the bond that has kept us all together for the past four years.

In September of 2001, we all started school as wide-eyed, curious, and maybe even timid freshmen. Not too far into the year, we were all faced with the horrible event that took place on 9/11. Throughout the school, there seemed to be a hushed silence as we all sat in our seats, listening attentively to Mr. Graceffa's announcement – a plane had just hit one of the World Trade Center buildings in New York. Everyone was apprehensive as to what the news actually meant. Questions ran through everyone's mind as we all awaited for more news. After this tragic news settled within us, we were all aware of the devastating disaster. Locally and nationally, everyone pulled together to help out in the relief. Along with other students, the WHS Show Choir traveled to Ground Zero to sing in memory of those who lost their lives during the devastating event. This has become a tradition at Waltham High School over the past four years. Waltham High's Show Choir commemorates and remembers the victims at the Waltham Common each 9/11 anniversary.

Class of 2005 along with the student body created and participated in several relief efforts during the War on Terrorism. Student Council and NHS members helped rebuild Iraq by gathering school supplies from students and staff and sending it overseas. It wasn't long before another tragedy hit. In the fall of 2004, a great Tsunami had hit Southeast Asia. For days, televisions everywhere were stuck on the news channel and everyone watched as the number of deaths grew. The number finally peaked at 150,000. Everyone across the world didn't hesitate to help. The Class of 2005, especially, had held a penny drive, where each penny represented a victim of the Tsunami. The drive put into perspective the immense number of deaths.

The Class of 2005 came together, learned and grew throughout tragedies and triumphs. The events that took place during the past four years will remain close to our memories, hearts, and thoughts of Waltham High School.

Yearbook Dedication

Mrs. McCormack

Our last dedication goes to a woman who will always have a special place in the hearts of every person from the Class of 2005. In 1968, she attended Marymount Manhattan College for her undergraduate years, and then went on to complete her masters in education at Boston University. She has worked in education for 35 years and has been at Waltham High School for 20 years as a housemaster. Being a housemaster she has seen and been the head of five classes, and watched them come into the high school as scared freshman and has taken each class and given them the skills to go on and succeed in the world. When asked, people used words such as "patient, kind and understand" to describe her. It must have been difficult to be the one who, for 35 years, had high school students coming to her with problems. Each time a student needed a minute to speak with her, she found time, was attentive and did everything she could to make sure the student was at ease when leaving her office. For four years she has been our advisor, mentor and teacher. Her guidance has gotten us from the scared days as freshman to today, just days away from graduation. As each student walks across the stage on Sunday and receives his or her diploma, she should know that they take a little piece of her with them. She has been the glue that held out class together, and will be missed not only by the members of the class of 2005 but by every faculty member in the building. This year's yearbook has been dedicated to Mrs. Dierdre McCormack.

DMAC has done so much for me and all her students. I will always remember her bright smile and funny laugh.

-Luis Cotto

She has always gone out of her way for her students. I especially will miss our summer laughs and lunches.

-Nora Joyce

She always treated everyone fairly and was always there for her students.

-Michael Fox

As my mentor and my friend, Diedre has taught me her first rate administrative skills.

-Rosemary Vincent Neville

Yearbook Dedication

There comes a time in every student's life, when they come across a teacher that is truly remarkable. Although Waltham High School is filled with these types of teachers, this woman stands above the rest. She has spent the last thirty years dedicated her life to the children of Waltham, as well as her own family. She is an amazing person who has given her students nothing but love and kindness.

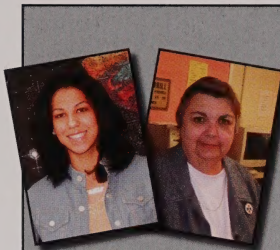

Her husband describes her as a remarkable woman who is always willing to do anything for others. She spends most of her free time quilting, sewing, and knitting socks. Students and faculty describe her as being multi-talented, crafty, gifted, considerate, and above all a truly compassionate person. She is never without a smile and can brighten anyone's day. I was not fortunate enough to have her as a teacher, but I am honored to present this year's Mirror Dedication to Mrs. Kathleen Collins

Throughout our high school careers each of us has encountered numerous teachers who made us feel at home here at Waltham High. There is one certain teacher who's simple "hellos" or smiles in the halls reminded us that the four years we spent here taught us much more than we can yet realize. He is the type of teacher any student should consider himself or herself lucky to have.

This man grew up right here in Waltham. He attended St. Mary's High School where he was a basketball star. He then moved on to Clarkson University in Potsdam, New York where he received his undergraduate and Masters Degrees in Industrial Distribution.

Known to us as a dedicated teacher, this man is also a loving husband and father. When his wife's eyes began to well with tears upon hearing her husband was to receive this years dedication, we knew that we had chosen a most deserving man. We are pleased to present this year's Mirror 2005 Dedication to Mr. John Collins.

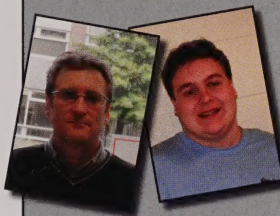

She is a caring, considerate and wonderful woman. She is always willing to help other students and teachers regardless of the situation. I'm happy to have had the pleasure of knowing him.

-Vanessa Vega

She has spent her career passing on skills that enrich our lives. She is always willing to volunteer her time and talents to benefit the students of WHS.

-Kathleen Giorgio

Waltham's loss is the family's gain. Oatmeal cookies, blueberry cake and pinwheels: she's the Betty Crocker of WHS and a darn good seamstress too. Nobody does it better!

-Jake Furbush

She is a great person with a very kind soul. I can always count on her to be a good listener.

-Paul Ryan

John has been a great friend to me; an influential part in the education of Waltham High School students. The senior class has made an outstanding choice in honoring him with this dedication.

-Mr. Paul Grady

John Collins has clearly established himself as a teaching icon in the Waltham Public School system. I have fond memories of his classroom as an eighth grade student, and valuable lessons learned as a colleague, neighbor and homeroom buddy at WHS.

-Mr. John Maguire

Even though I only had him freshman year, four years later everytime I walk by I always receive a friendly hello.

-Shannon Murphy

His funny and outgoing attitude makes class enjoyable. It is going to be hard to replace a teacher like Mr. Collins

-Kristina Agrillo

In Memory of...

Mr. Blanchard

Equipped with the essential tools of his trade, cowboy boots, a plastic sword, and a smile, Mr. Al Blanchard stepped into many lives of the impressionable youth. Mr. Blanchard was a man who had many loves in his life, his wife, music, writing and teaching. While teaching he had this uncanny ability to make every student feel like they had some infallible bond with him - a bond never broken by passing years of countless faces. Mr. Blanchard became almost like that game winning home-run or A on that test; he seemed to bring a sense of pride among his former students. The first day of 8th grade would come and you'd find yourself in another year of history with a different face at the head of the room and he or she would ask about what teachers you had last year. You would have the occasional groans of the unpopular teachers, the cheers of the liked and then the almost conceited boasting of the fact that you were one of Mr. Blanchard's students. The pride I will always have, knowing that for a single year, I not only got to have Mr. Blanchard as a teacher, but also as a friend as well; this is something that will live on forever. No matter how many wrong turns I might take, I still have a bookcase full of Mr. Blanchard's words to steer me back and remind me everyday that it's our turn to make him proud.

-Kevin King

Ms. MacDonald

Ms. Jane MacDonald was a member of our Waltham High School family during the past several years, but she will forever remain in our hearts. A teacher of French, she was also instrumental in assisting English Language Learners in perfecting their skills and working with them after school and during the summer. She was a very special teacher and friend who would always be there to lend a helping hand to students and staff alike. Many of us will never realize the multitude of kindness that Ms. MacDonald bestowed upon others, since her efforts were achieved in a quiet sort of way. All will remember her thoughtfulness, compassion, dedication and generosity.

IRISH BLESSING

May the road rise to meet you,
May the wind be always at your back,
May the sun shine warm upon your face,
The rains fall soft upon your fields and,
Until we meet again,
May God hold you in the palm of His hand.

Ms. Olsen

students"-Tom Taylor

Teachers
Paint their minds
and guide their thoughts
Share their achievements
and advise their faults

Inspire a Love
of knowledge and truth
As you light the path
Which leads our youth

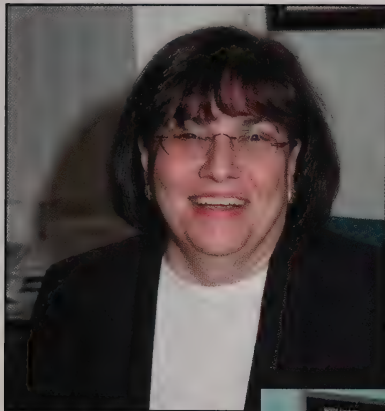

For our future brightens
with each lesson you teach
Each smile you lengthen
Each goal you help reach

For the dawn of each poet
each philosopher and king
Begins with a Teacher
And the wisdom they bring

"We picked up pace towards the end and really came together as a team."

-Spencer Wims

With one of its more impressive seasons in recent years, the Waltham Hawks football team returned as a perennial Greater Boston League power house. Wins over Peabody, ranked 6th in the state at the time, and future Division 1 Superbowl champions and archrival Brockton, highlighted a dream season for the hawks. The teams overall record was 7-3 with all three losses at the hands of top ten opponents, and end of the season ranked 16th in the state by the Herald. Captains Luis Cotto, Mike Vautour, Pablo Bello and Clint Marchese offered strong leadership and production. With help from senior lineman Thomas Duca, Mike Vautour and Alex Russo, and juniors John Hickey and Steve Thomas, Luis Cotto rushed for 1200 yards and scored 80 points. The offense was not without a passing attack as Pablo Bello was a constant threat and senior Paul Bourgeois was 5th in division one eastern MA in touchdown passes. In addition, Matt Gately offered clutch extra points in big games throughout the season. The defense was led by Spencer Wims and with key contributions from George Torres and Kevin Justin including a miraculous interception. The Hawks defensive ability was showcased in three consecutive shutouts and finishing second in the GBL in fewest points allowed. Head coach Paul Mayberry and assistant coach Steve Duffy were supported by coach Dacey, Bourque, Burke, Guisti, Leblanc, and McGovern. The hawks were not without strong support from underclassmen, including juniors Bobby Martin and Brian Hanley and sophomore Dave Melchorri, and Jim Sweeney. They look to continue the standard set by the 2004 team.

The 2004 Golf team had yet another great season, finishing 7-1. The Golf team had a tough opening loss to rival Peabody by two points. The team then rebounded by easily winning the rest of the matches. The team was led by co-captains James Walden and Robert Yunker, with a strong presence by Brandon Hagopian, Chad Yunker and Matt Jackson. Seniors Eric Powell, Ted Tsacoyianis and Steve Tagarelis also helped lead the 2004 Golf team to victory. The team had an abundance of experience with 5 of our top 6 players being seniors.

The Golf team had the wind at their backs going into the sectionals, with high expectations, after ending the season with seven straight wins. The top 3 teams out of the 12 made it to the state finals and the hawks managed to come tied in 3rd even with the strong competition that day. Unfortunately the hawks fell short losing the tiebreaker to Lexington High. James Walden then went on to place 14th at the State finals.

In the final tournament, the Hawks swept the Sullivan tournament taking home the team as well as the individual trophies. Walden wrapped up the individual portion with an even par 70 while Senior Robert Yunker and Junior Brandon Hagopian shot a pair of 79's to help bring home the team trophy.

The success of team cannot be talked about unless mention our head coach Russ Sorin. He would not let us get down on us after the tough loss against Peabody or to get over confident after effortlessly finishing the season undefeated. He brought a serious attitude when we needed to be serious and a comical laid back attitude when he sought fit. Over all the 2004 Golf team had a great year, and would like to wish next year's team good luck.

This years boys and girls cross country teams put a lot of effort into the team and made great improvements. Although the girls team excelled in their meets, they were not able to qualify because the team was lacking in numbers. On the other hand, the boys defeated Everett and Malden in a tri-meet and put up a good race against the other GBL opponants. The top runners for the team this year were Nick Kacher and Sarah Nix. The girls team was supported by senior Rosalie Mula who was not able to compete in the meets due to an injury. Next year we hope for an even better season, with more wins and a tournament opportunity.

-Katie Rippin

The Waltham Lady Hawks varsity soccer team finished with an overall season record of 11-5-2. The chemistry on the team was excellent in large part due to the great senior leadership. This year the Lady Hawks will be a graduating senior Captain Autumn Beecy, Kendra Creonte, Michaela Creonte, Ashley Duff, Katie LaRoche, Hannah McMahon, Erica Milner, Shannon Murphy and senior Captain Katie Rippin. Hannah McMahon was the lady hawks leading scorer of 2003 and 2004 while the Creonte cousin's anchored the back with their strong defense. The Lady Hawks soccer team of 2004 was considered to be a "history making team." They were the first team to clinch two tremendous victories over archrival, Arlington, and the first team to defeat a tough non-league opponent, Central Catholic. The Lady Hawks unfortunately lost in the first round of the tournament in a heartbreaking 2-1 final score against Medford. Next year, the Lady Hawks will be returning as strong as ever. Head Coach John Maguire and assistant coaches Alison Renna and Brenda Burke are anxious to revenge the upsetting tournament game. Good luck next year girls "Play On!"

Hit Me With Your best shot

"It was a good building year for our team and we worked really hard."

-Dan Vandercllock

No one knew what to expect at the beginning of the 2004 Boys Varsity Soccer season. With a new coach and just five returning players from the previous season, August's double sessions were filled with a variety of new faces. Coach Kelvin Bernard, returning from a ten year absence—was a coach of the Hawks, came in dedicated to turning school's soccer program around. Led by Senior captains Matt Millmore, Andrew Richard, Gregor Walz, and John Paranosian, and Junior captain Jose Saveedra, as well as an energized and demanding coach, the Boy's Soccer team saw themselves undefeated through the first five games of the season. The streak included a tie in Everett, then, the No. 2 ranked team in the state. However, the Hawks ran into a hole they could not dig themselves out of and finished the season with six wins. Nevertheless, the boys wouldn't give up. Late in the season, they gave NO. 4 ranked Medford a tough game, but fell short by just a goal. Although he missed a couple of early season games due to a concussion, Jose Richard's hard play and success in shutting down opposing strikers also earned himself a position on the league's all-star team.

The Lady Hawks field hockey team had a very successful season advancing to the quarter finals in the state tournament with a 13-6-1 record. The Hawks had tremendous wins over arch rival Bishop Fenwick and first round opponent Pentucket. The Hawks came up with huge wins on their home turf including non-league victories over Chelmsford and Gloucester. The Hawks weren't so lucky when they ended facing number one ranked Andover in the tournament where their season ended. The team was led by senior co-captians Holly Glynn and Kara Napolitano. Head Coach Denise Nugent guided the Hawks along with the seniors who made up the bulk of the team that brought leadership and support to make this season an unforgettable one. The underclassmen stepped up big time this year including junior GBL All-Stars Amanda Burley, Jaime Oliveri, and Stephanie Bourgeois. *"We tried to shut

Jennifer Emeterom

This 2004 season was all about change; there were new coaches, new captains and a new offense. Coach Michael Murphy assisted by Junior Varsity Coach Karen Murphy, both Waltham Volleyball Alumni, took charge of the program. Our offense changed from a basic 4-2 to a collegiate level 5-1. Senior captains Stephanie DeAlmeida, Melissa Pineau, and Vanessa Vega led the team. Early in the season the team suffered a loss with the injury of senior setter Nicole Landry. Senior Ayesha Ahmed, became the primary setter and played a crucial role in setting up attacks. While our "Waltham wall", which consisted of Jen Emeterom, Jordan Hunter, Melissa Pineau, and Vanessa Vega, dominated the new with blocks and spikes. Their hard hits led out team to victory. Stephanie DeAlmeida, the team libero, and Junior Melissa Watts were key defensive players. They continuously "sacrificed their body" by diving, sprawling and rolling, to retrieve the balls and deliver the perfect pass.

With a team consisting of 23 players, Coach Michael Murphy did his best to tackle the difficult task of getting everyone playing time. While not on the court, the girls eagerly cheered on their team members. Throughout the season the team faced many difficult opponents and endured long rallies. Varsity Volleyball ended its season a 7-7 in the Greater Boston League and 7-13 overall. We took from the season many memorable moments and long lasting friendships.

The Girls Basketball team faced a challenging year with only three returning seniors Jessica Verna, Laura Rotolo, and Kendra Creonte, and a number of promising young players. Although only compiling a mediocre record, the team did come through with impressive victories over tournament bound Somerville and Everett. The Hawks were led by senior Co-Captains Laura Rotolo and Kendra Creonte. The leading rebounder for the team was senior Jessica Verna, while Laura Rotolo led the team offensively as the starting point guard. Next year, there is a lot of experience returning to the team, which will be led defensively by Alicia Baxter and Natalia Creonte. Offensively, point guard Laila Khanizer and starting center Renee LeBlanc are expected to dominate, while Heather Ross will continue with her three point stroke and strong leadership.

Gregor Walz

This year's basketball season had its ups and downs but overall it was worthwhile. Seniors, Jeff Krueger, Pablo Bello, Jorge Torres, Jimmy Batista, Gregor Walz, Ryan Maloney, Luis Cotto, Spencer Wimms, Elvis Jocol and Matt Nelson led the team. In a must win game the highlight of the season came at Cambridge when Waltham upset Cambridge 74-47. This victory led by 38 by Jorge Torres, which is the second highest amount of points scored in WHS history, clinched a state tournament bid. With a record of 11-9 we qualified for the tournament with high expectations. Unfortunately the upsets came to an end for Waltham, as we lost a hard fought battle to Acton-Boxborough. Kevin Parella, Matt Pressey and other juniors will lead next years team to a sucessful season. Overall, the 2004-2005 Basketball team not only worked together but proved we proved what a talented team we were.

"We exceeded all expectations and made history this season."

-Casey Healy

Our coach, Carroll McCaffery, always said, "It takes three seasons to build a varsity program." She was right. The girl's ice hockey team had a memorable year with a record of 10-7-5. We went from one victory in our first season to five wins our second year and finally to our first state tournament experience. From the first day we stepped onto the ice, the strong squad of veterans supported by skilled underclassmen and lead by tricap-tains Autumn Beecy, Holly Glynn and Casey Healy had one goal in mind, reaching the tourney. We won or tied 12 out of our last 15 games and knocked off Billerica in our first-ever state tournament appearance. The 15th seeded Hawks moved on to play #2 seed, St. Mary's of Lynn. After 40 minutes of scoreless hockey, our season came to a bittersweet end, but we made history and we had a blast. For the team's seven founding seniors Autumn Beecy, Jesse Fetbroth, Holly Glynn, Casey Healy, Sarah Izzi, Hannah McMahon and Katie Rippin this was a season to remember. Many thanks to our Head Coach Carroll McCafery, Assistant Coaches Paul Centofanti and George Tedford, who encouraged us to skate fast, play hard and always have fun. Also, special thanks to our amazing GHEF'S (Girls Hockey Extreme Fans) and of course the band. Good luck Lady Hawks!

*"Our sucessful
season was a tribute
to the talent on our
team."*

-Derek Mantey

The boys hockey team continued its success over the past few years again this season. The Hawks looked to match the success of last year's Super 8 semifinals run with instruction from Coach Maguire (offense), Coach Cusick (defense), and Assistant Coaches Trundell and Watson. The team was led by the powerful first line scoring trio of Chris MacInnis (43 points), Jackie Brogan and Lawrence Tracy (Both over 30 points) the Hawks repeated as GBL champions, including a rare win at Arlington thanks to a game winning goal from senior Mike Doolin. The repeat GBL championships are a first in program history. The Hawks also had a stingy defense led by seniors Shawn Keefe and Joe Drago, along with Sophomore Nick Cummings, and Junior Greg Zeoli that helped the team to an undefeated record at home. The team came flying out of the gate going undefeated through its first 13 games before falling to St. John's Prep and into a midseason slump.

As the Hawks prepared for a late season trip to the prestigious Cape Cod Classic in Falmouth, they needed a spark, and first year starting goalie Jeff Saran provided it. Saran was brilliant the last six games of the year, almost single-handedly beating Super 8 finalist Arlington Catholic on the Cape. He also provided great goaltending against BC High and in the Super 8. The Hawks came just one game from matching last years success, losing a heartbreaker in overtime to AC at the Agganis arena at BU, the first high school game ever played there. The team also played in a hard fought battle against eventual champ CM, while senior Derek Mantey and Junior Bo Hickey contributed with strong tournaments.

Next year's team will miss its ten graduating seniors: Keefe, MacCue, Tracy, Brogan, Drago, Mantey, Doolin, John McCue, Andrew Richard, and Greg Smith. Next year's team will look to seniors, Saran, and Zeoli and junior Nick Cummings will look to backbone the defense with help from Jeff Healy. Hickey and John Battagliano will be looked at for leadership and scoring at forward, with the trio of Dan Rowland, Don Hopkins, and Kyle Thomas for scoring. The boy's hockey program will continue to grow and succeed in the years to come.

"We had a successful swim season thanks to the hard work of everyone."

-Stephanie Surette

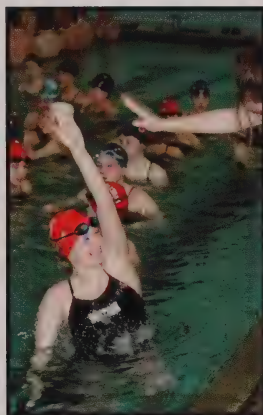

The season had an awesome start with over fifty people joining the team. This increase in number of swimmers drastically changed the team dynamics. This change impacted the team in a positive way as the season ended with an 8-4 overall record. Within the Greater Boston League, the record was 7-1. Eventually, this brought the team to be ranked second in the league. The team was led by senior captains Carly Lindahl and Stephanie Surette, along with junior captain Diane Holmes. Each captain found their own approach to guiding the team, and together they proved to be successful. The team's success is attributed to the coaches Mike Gavin and Amy Parsons. Coach Gavin strengthened the flexibility of the team by maximising the ability of each swimmer. Coach Parsons played an imperative role in forming a positive team mentality. Certain individuals went above and beyond the rest of the team. Holmes broke two school records in the 50 Free and the 100 Free. Lindahl was the team's leading point scorer. Freshman rookie Daniel Ovechkis built up the guy's side of the team. The team could not have been what it was without Ashley Sai, Surette, Emily Smizer and Lauren Stanton.

The 2005 wrestling season was full of triumphs. We posted a record of 17-2 along with winning the GBL championship for the second year in a row. We had big victories over Wayland, New Bedford, Weston, Newton North, and Sharon. One of our tri-captains Jason Catino, reached 100 career victories, a feat that has only been accomplished a few times. We sent eight wrestlers to the State Tournament and placed top six in the state. The season was a success even though all our goals were not reached. Our coaching staff was great and will continue to be for a long time. With the loss of senior(s): Captains Catino, Duca, Vautour, along with Powell, Giovanazzo, Taylor, and Burke. Next year's team will not be rebuilding they will just be reloading. Expect big seasons from McIver, Cappadona, Jacobs, and the most of all is junior to be, Johnny Coutumos. We had a great run to end the season and none of us will ever forget it.

-Chad Younker

The Waltham High School ski team had yet another successful season with the girls finishing in a strong second place and the boys clinching the fifth spot. MariAnne Genova became the new coach, taking over for Allison Renna. The girls team finished strong in a very competitive season that led them to the state championship race. There Jamie Gullotti, Katie Dally, Dana Lacava, and Krista Lundberg represented the team. The ski team holds a unique bond because it is co-ed and involves athletes from all different grades. There were eight seniors including co-captains James Walden and Katie Dally. Along with Robert Yonker, Stephanie Kudlate, Chad Yonker, Krista Lundberg, Jordon Hunter, and Chelsea Krawzyck. The seniors wish the best of luck to the team in the upcoming 2005-2006 season!

"This years indoor team had great chemistry and had a lot of help from the underclassmen."

- Natalie Matejcik

The 2005 indoor track season went very well. The underclassmen which made up the majority of the team showed a lot of potential. Jaime Horgan, Jen Nicoloro and Patricia Vasquez stood out for the girls especially in events such as the hurdles, distance and high jump. For the boys team, Steve Gerome played a huge role in their sucessful season. At the GBL meet, many members from the boys and girls teams qualified for the Class A meet. Next years team will be led by the promising underclassmen. Through hard work and support this years indoor track team achieved a lot and made me very proud.

Our season highlight was watching senior Holly Glynn score her 200th career goal! Though we lost our first round tournament game to a skilled Acton-Boxboro team, we all learned a lot this season and each of us improved our game. Good luck to all the seniors, and next year's team!

Hearts of Champions

With twenty three seniors on this years boy's lacrosse team the expectations were very high going into the season. Not only did we meet these expectations we surpassed them becoming the most sucessful team in the program's history. Led by captains Alex Giovinazzo and Clint Marchese, the Hawks repeated as GBL Champions going undefeated in the league for the second straight year. We qualified for the state tournament as the number two seed at our highest ever. We also beat Lincoln-Sudbury for the first time in history to advance to the state championship before falling to the number one seed, Duxbury, in the finals. Impressively, every starter was named a Greater Boston League All-Star, an outstanding feat. The Hawks also had stellar defensemen Clint Marchese and Spencer Wimms named All-Americans and were chosen to play in the North/South all-star game. The impressive thing about this team was that all 28 players contributed in one way or another, every game. The coaching staff led by Steve Duffy and Russ Sorin led our team to victory. This team has brought the program to an elite status not only in Massachusetts but in the country.

Student Santa

Presents, presents and more presents..

Student Santa is a program started twenty one years ago in Waltham High School and is an opportunity for students to give back to their community. Student Santa is led by the faculty of the history department including Mr. Cox, Mr. Goodwin, Mr. Gavin and Mr. Grinnell. The families who receive the presents are residents of Waltham. Although these families are kept anonymous, it is easy to imagine the joy these presents bring to needy families across Waltham. These 250 families have children ranging from the ages of newborns to teenagers, and each and every child received multiple gifts. The entire Waltham High School community including students and teachers made this holiday season possible. It becomes clearer every year, that the tradition of Student Santa will remain for years to come.
